

As a service of Brazosport Regional Health System, Surgical Services provides comprehensive and innovative patient care. We embrace continuous quality improvement techniques as a way of ensuring that we deliver the highest standard of care. Our goal is to provide quality, individualized care that addresses the unique age-specific needs in a safe environment to meet the total needs of the surgical patient.

Facilities at Brazosport Regional Health System include four operating rooms, a cystoscopy suite, a procedure room, three endoscopy suites, and a post anesthesia care unit.

Located on a beautiful 25 acre campus in Lake Jackson, Texas, Brazosport Regional offers state of the art diagnostic and comprehensive treatment services with care and compassion. Our highly skilled team of medical professionals is here 24 hours a day, 7 days a week to meet our communities ever changing healthcare needs. For you and your family, it all adds up to the *The Right Care.*
